

## NOTIFICATION OF CHANGED INVOICING ADDRESS

### Dear Business Partner

We have introduced Procountor financial management software in our operations.

We have now the possibility to receive electronic invoices. We are looking forward to receiving primarily electronic invoices from you. Compared to paper invoices, processing electronic invoices is faster, cheaper and more reliable for the sender and the receiver.

Our electronic invoice addresses are:

| Operator                             | Electronic invoice address | Electronical Data Interchange ID (EDI) |
|--------------------------------------|----------------------------|--|
| OpusCapita Solutions Oy<br>(E204503) | 003724520836               | 003724520836                           |

If you are not able to send electronic invoices, we ask you to send paper invoices in the future to the purchase invoice scanning service. The address is:

**Kamu & Kamu Oy (OpusCapita scanning service)**  
**P.O. Box 10560**  
**00062 LASKUNET**

To enable the scanning service to recognise your invoice, this invoice address is to be printed on the actual invoice, not only the envelope. We also ask you to note that no other material than invoices is allowed in this address. The postal address for material, such as notifications, marketing material etc. remains the same as before.

The address of Kamu & Kamu Oy for email scanning is: [KamuKamuOy.FI.P.125674-2@docinbound.com](mailto:KamuKamuOy.FI.P.125674-2@docinbound.com)

Best regards,

Kamu & Kamu Oy
